**INDIA TRADE PROMOTION ORGANISATION**

Member of  
**ATPF**  
Asian Trade Promotion Forum

## VISION

ITPO's vision envisages to be a leader amongst world-class trade promotion organisations leveraging India's strengths internationally. It also envisages rapid growth in India's share of global trade and investments, quality of our services and customer satisfaction.

## MISSION

To promote, facilitate, encourage and coordinate various activities and programmes to enhance India's share of exports through trade in goods.

ITPO, the premier trade promotion agency of the Ministry of Commerce and Industry (Government of India), is committed to showcase excellence achieved by the country in diverse fields especially trade and commerce.

ITPO provides a wide spectrum of services to trade and industry and acts as a catalyst for growth of India's trade. ITPO approves holding of international trade fairs in India and regulates holding of various expositions in India primarily to avoid any duplication of efforts while ensuring proper timing. It manages India's world class-exhibition complex which is constantly upgraded to keep it in a high standard of readiness. Spread over 123.51 acres of prime land in the heart of India's capital, New Delhi, Pragati Maidan offers about 65054 sq.mtrs. of covered exhibition space in 17 halls besides 11623 sq.mtrs. of open display area. The state-of-the-art exhibition halls have enhanced the appeal of Pragati Maidan as the ideal centre for an increasing number of fair organisers and business visitors from different parts of the world.

ITPO has an extensive infrastructure as well as marketing and information facilities that are availed by both exporters and importers. It assists buyers seeking information relating to sourcing products from India and providing opportunities for India's trade and investment.

ITPO's regional offices at Bangalore, Chennai, Kolkata and Mumbai through their respective profile of activities, ensure a connected and well coordinated trade promotion drive throughout the country.

With the commissioning of the state-of-the-art Chennai Trade Centre (CTC) in January, 2001 and the Trade Centre Bangalore (TCB) in September 2004, ITPO has provided technical assistance in construction of the first phase of the setting up of modern exhibition facilities

### THE KEY EMBLEM

Unlocking the New Business Avenues

ITPO takes inspiration from India's golden past while aspiring for a bright future. The ITPO emblem has been derived from an inscription on a gold coin belonging to the era of Emperor Samudragupta (Circa 330-380 A.D.), symbolizing the zenith achieved in external trade by ancient India.

The vertical and horizontal strokes in the symbol represent masts of a ship while the key represents the anchor.

ITPO is committed to continue the trend and recapture the excellence achieved by our forebears in the areas of trade and commerce.

outside Delhi. During the year 2013-14, CTC hosted 115 events/exhibitions and 96 convention related programmes.

Likewise, the formal commissioning of the Trade Centre Bangalore (TCB) at Whitefield in September 30, 2004, as a joint initiative of ITPO and the Karnataka State Industrial Area Development Board, is the harbinger of an added impetus to trade promotion through fairs, exhibitions and associated activities of the State and southern region. During 2013-14, TCB hosted 32 events/exhibitions and conventions.

On the advice of the Department of Commerce, ITPO has coordinated the construction of an exhibition-cum-trade complex of Sarusajal, Guwahati under 'Assistance to States for Developing Export Infrastructure and Allied Activities (ASIDE)' Scheme. The Maniram Dewan Trade Centre spread over an area of 10 acres has been completed and handed over to Government of Assam for further operation. ITPO is also providing assistance to State Government in setting up Regional Trade Promotion Centres (RTPC) in various state capitals and major cities.

ITPO has been pursuing re-development of its landmark fairground - Pragati Maidan, where a modern, state-of-the-art integrated convention-cum-exhibition centre is coming up. Plans are afoot for a phased re-development of Pragati Maidan that will increase its exhibition space by almost two times along with state-of-the-art convention centre of about 4000 sq.mtrs. bringing it on a par with similar grounds across the world. The proposed integrated convention-cum-exhibition centre would be completed by the year 2018 enabling fair organisers to host much larger events in high quality exhibition space.

- Managing the extensive trade fair complex, Pragati Maidan
- Organising various trade fairs and exhibitions at its exhibition complex in Pragati Maidan and other centres in India.
- Facilitating the use of Pragati Maidan for holding of trade fairs and exhibitions by other fair organisers both from India and abroad.
- Timely and efficient services to overseas buyers in vendor identification, drawing up itineraries, fixing appointment and even accompanying them when required.
- Establishing durable contacts between Indian suppliers and overseas buyers.
- Assisting Indian companies in product development and adaptation to meet buyers' requirements.
- Organising Buyer-Seller Meets and other exclusive India Shows with a view to bringing buyers and sellers together.
- Organising 'India Promotion Programmes with Department Stores and Mail Order Houses abroad.
- Participating in overseas trade fairs and exhibitions.
- Arranging product displays for visiting overseas buyers
- Organising seminars, conferences, workshops and trade-related subjects.
- Encouraging micro, small and medium scale units in export promotion efforts
- Conducting in-house and need-based research on trade and export promotion
- Enlisting the involvement and support of the State Governments in India for promotion of India's foreign trade.
- Trade Information Services through electronic accessibility at Business Information Centre.

Pragati Maidan, headquarters of the India Trade Promotion Organisation is more than just the premier exhibition complex of India. True to the meaning of its name, 'Pragati Maidan' stands for development and progress through trade.

Being India's biggest world-class exhibition complex and a symbol of the 'Modern Fair Culture' in India, Pragati Maidan has grown with every event in stature and dimension. The development of the exhibition ground was a prelude to the hosting of the Railway Exhibition in 1952 to mark the centenary of Railways in India. This was followed by fairs like International Low Cost Housing Exhibition in 1955, International Graphics Art and Printing Machinery Fair in 1957, World Agriculture Fair in 1960 and Indian Industrial Exhibition in 1961. However, the sprawling complex took its shape during 1958. The seventies changed both the fair complex as well as its complexion, with the hosting of Asia 1972 – the third Asian International Trade Fair coinciding with India's Silver Jubilee Year of Independence. It was an important milestone, as the Indian business community could understand the potential of promotional events like the trade fairs. The fair ground was rechristened as 'Pragati Maidan'. In an ostensible acknowledgement of the significance of these events, the Trade Fair Authority of India (TFAI) was formed on April 1, 1977, by an Act of Parliament through the amalgamation of three bodies – Indian Council of Trade Fairs and Exhibitions, Directorate of Exhibitions and Commercial Publicity of the Ministry of Commerce and India International Trade Fair Organisation, with the primary aim of organising trade shows.

India Trade Promotion Organisation was formed subsequently on January 1, 1992 with the merger of the former Trade Development Authority (TDA) with the TFAI. TDA was set up in 1970 as a registered Society under the Ministry of Commerce). Professionally managing India's premier exhibition complex, ITPO has over the years reached many important milestones while performing its mandated role as the nodal trade promotion agency of the Government of India. Also Significant has been the setting up of the National Centre for Trade Information (NCTI), jointly by ITPO

### Location Map

and the National Informatics Centre (NIC), Government of India at Pragati Maidan in October 1994. ITPO, apart from maintaining its own database with regard to products and markets, is also regularly interacting with NCTI for supplementing its information base.

As a world class exhibition ground in India, Pragati Maidan hosts a series of high quality international and national trade fairs. Its exhibition halls, complete with a network of infrastructural facilities, in a lush green setting, make it the automatic choice of top-notch exhibition organisers from India and abroad.

In order to upgrade facilities at Pragati Maidan, ITPO will be developing a state-of-the-art world class integrated exhibition-cum-convention complex in Pragati Maidan.

Pragati Maidan offers a business environment that promises to transform challenges into opportunities. Visited by top representatives and captains of trade and industry from all over India and abroad, Pragati Maidan clearly tunes into the requirements of the vast Indian and global markets.

The exhibition complex is also an ideal business rendezvous and repository for a wide range of relevant trade information. ITPO has set-up the Business Information Centre and a Trade Portal [www.tradeportalofindia.org](http://www.tradeportalofindia.org) at Pragati Maidan. The portal was set up by the Government of India under the EU – India Trade Investment and Development Programme for promoting trade between India and EU. This provides information on the Indo-EU countries and also covers other countries and regions as well. It offers linkages to relevant government websites that provide information access, both off-line and online, on countries, trade statistics, market surveys, sector-based information and statistics, country regulations, trade events, business directory etc. At present this Portal contains information on more than 100 countries including 27 countries of EU.

Business Information Centre, located at Hall No.19, Pragati Maidan, New Delhi is also providing support services such as a physical library equipped with over 6000 books, periodicals, journals, directories and other publications and e-library.

National Centre for Trade Information (NCTI), a joint venture of India Trade Promotion Organisation (ITPO) and National Informatics Centre (NIC) is also located at Hall No.19 at Pragati Maidan, New Delhi. The Centre has been set up for collection and dissemination of trade related information and improving business information services for the benefit of the business community, especially the small and medium enterprises (SMEs).

**CHENNAI TRADE CENTRE**

Commissioned in January, 2001, the Chennai Trade Centre (CTC) is managed by Tamil Nadu Trade Promotion Organisation (TNTPO), a joint venture of ITPO and Tamil Nadu Industrial Development Corporation (TIDCO).

The state-of-the-art CTC is incidentally the first fair infrastructure that has been developed by ITPO outside Delhi. Set up over an area of 25.48 acres in Nandambakkam at a prime location in Chennai. CTC has three halls – Hall No. 1(4,400 sq. mtrs) Hall No. 2 (1, 760 sq.mtrs.) and Hall No.3(4,400 sq.mtrs) with six meters height to display all merchandise including machinery. The Trade Centre is architecturally and technically designed to be a "state-of-the-art" Exhibition Complex. The Air – Conditioned halls with no intermittent pillars or columns, are eminently suitable for multi-purpose use of organizing exhibitions, conferences, conventions and conducting other trade, commerce and industry-related events. All the halls are inter-linked and Hall No. 3 is connected with convention centre.

The Convention Centre can accommodate 1,500 participants with a provision for dividing the hall into two equal parts. The audio-visual facility provided at the Convention Centre is of world standards and is eminently suitable for multi-purpose use such as conference, conventions, cultural shows etc.

Special facilities available in the Convention centre are sliding partition, infra-red digital interpretation systems, theatrical lighting system, fire protection with sprinklers and smoke detectors, modern audio-video system, meeting rooms, banquet hall, protocol and VIP lounge, business centre, information booth, parking facilities, multiple screen backdrops with cyclorama screen and multiple interpretation facility for 1 + 5 languages, video projection facility, integrated remote control for stage lighting, video and audio.

**BENGALURU TRADE CENTRE**

The Trade Centre, Bengaluru (TCB) is located at a prime area in Export Promotion Industrial Park, Whitefield, Bengaluru and covers an area of 50 acres with an air-conditioned Exhibition Hall of 5371 sq. mtrs. Eleven open spaces, each with an area of 38 sq.mtrs. have been constructed all around the Exhibition hall for display of heavy equipments, machineries and setting up of Food Courts, Business Centre etc. An open area of 20 acres is also available for open exhibitions and hangers can also be put up according to the convenience of exhibitors.

The TCB is architecturally and technically designed to be a state-of-the-art modern exhibition complex. The air-conditioned hall has only one central pillar which makes it conducive for multi-purpose usage including organising exhibitions, conventions and conferences. A centrally air-conditioned Conference Hall measuring 1,500 sq.mtrs. with seating capacity for 200 delegates is also available at the mezzanine floor.

The TCB is centrally located at a distance of about 40 km. from Bengaluru International Airport and 22 km. from the Bengaluru City Railway Station and well connected to all parts of the city. It is within 3 km Radius of most of the prestigious five star hotels EPIP, Whitefield, Bengaluru. The Trade Centre Bengaluru is managed by Karnataka Trade Promotion Organisation, a joint venture of ITPO and Karnataka Industrial Area Development Board (KIADB).
